**Number:** TIC2015-0005

**Date:** 4/8/2015

**Title:** Côt<sup>™</sup> & Housewise<sup>™</sup> Thermostats Advanced Installation Instructions

**Product Category:** Wall Controls

## Products Affected

TP-WEM01, T6-WEM01

## Situation

Advanced installation instructions for the Côt<sup>™</sup> and Housewise<sup>™</sup> thermostats were released today.

## Technical Information

The advanced installation instructions provide additional details on equipment wiring, configuration, and operating settings, including a few advanced setup examples for fan coils & geothermal heat pumps. The instructions can be found on the Côt and Housewise thermostat product pages under Documents & Downloads at [www.hvacpartners.com](http://www.hvacpartners.com). See the installation instructions link.

Only trained and qualified personnel should design, install, repair and service HVAC systems and equipment. All national standards and safety codes must be followed when designing, installing, repairing and servicing HVAC systems and equipment. It is the responsibility of the Dealer to ensure local codes, standards, and ordinances are met.
